Mr. Obando read the following statement "comments by the parties or by their counsel that are made regarding any proposed decision, proposed order, or proposed ruling must be limited to matters contained within the administrative record of the proceedings. No other information or argument will be considered by the Board." Furthermore, he indicated that since this is an adjudicative matter as described in Government Code section 11125.7(e), therefore members of the public may not comment on such matters.

Mr. Obando read the following statement into the record:

As you may know, the one-year grace period for three of our members (Victoria Rusnak, Glenn Stevens, and David Wilson) expired on January 15, 2012. In accordance with Government Code section 1782 the Board is required to notify the "appropriate appointing authority" that vacancies exists for the three Board positions, one of which is a public member and two are dealer members. Section 1782 provides that "Notwithstanding any other provision of the law...Except as provided in Section 1774 [relating to appointments subject to Senate confirmation], the person occupying the vacated...seat on the board...shall continue to serve until notified by the appropriate appointing authority." These appointments are not subject to

confirmation by the Senate. In light of these provisions, the Board has been in contact with Business, Transportation and Housing Agency as well as the Governor's Appointments Office. Members Rusnak, Stevens and Wilson are continuing to serve on the Board until either reappointed or notified by the Governor that their respective terms have expired.

Mr. Obando indicated that counsel for the parties in *Clippinger* have been apprised of these provisions and do not object to Member Stevens participation in this matter.

The members were provided with a memorandum from Bill Brennan and Robin Parker reporting on the Board Development Program. Ms. Parker reported that the proposed education for 2013 was nearly identical to 2012. Given the number of case management matters, the focus was not on Board development. Once again representatives from CalRVDA and the Recreation Vehicle Industry Association are being asked to attend the January or February meeting to discuss the legislative irregularities with Article 5 of the Vehicle Code pertaining to RV protests. The staff will also try to schedule an electric car tour in the summer or fall of 2013.

9. **DISCUSSION AND CONSIDERATION OF THE BOARD'S PROPOSED BUDGET FOR FISCAL YEAR 2012-2013 - FISCAL COMMITTEE**

The members were provided with a memorandum from Bill Brennan and Dawn Kindel concerning the Board's proposed budget for the next fiscal year. Mr. Brennan indicated that the Board's proposed budget of \$1.529 million is \$39,000 less than the 2011-2012 Budget and is \$20-\$30,000 less than the DMV allocations. The Board continues to work with DMV to realign its allocations. Ms. Rusnak indicated that the team is doing a great job of reducing expenditures. A pro rata statewide expense imposed by the Department of Finance increased from \$88,000 in 2011-2012 to \$131,000. Mr. Brennan indicated the Board has no flexibility with these administrative expenses or payroll expenditures only with operating expenditures. Ms. Rusnak moved to adopt the proposed budget. Furthermore, the two student positions occupied by Tony Vela and Taquita Lugo were being eliminated at the end of the month.

Ms. Parker reported that the volume of cases was low and would be reduced once the case management matters from the meeting were closed. There had only been 16 notices of termination filed this year which was significantly lower than in years past.

With regards to judicial matters, Ms. Parker reported that in the writ of mandamus filed by Santa Monica Infiniti, the Board was not participating as there was no State interest.
